Dear Parent/Guardian:

My name is Miss Yuanyuan Wang and I am very pleased to have the opportunity to work at Akron Middle School with your child!

The language class I will be instructing your child in is Chinese Language and Culture. It will be a good beginning for learning a language, and we believe that your child can make progress and then may continue learning it next school year. Classes will take place Monday through Thursday, beginning September 26 (next Monday) in the LMC Mezzanine. The time will be from 2:37-3:18pm (9th period). There will be no class on holidays if it happens on a Monday-Thursday.

This will be a wonderful learning experience and I look forward to teaching your child.

Sincerely,

Miss Yuanyuan Wang
Chinese Language Teacher
